Mr. Paul Yeung
Fountain of Love and Life
401 Alden Road, Unit 3
Markham, ON L3R 4N4

Dear Paul and volunteers of Fountain of Love and Life,

On behalf of Mon Sheong Foundation, I would like to thank you for your generous gift-in-kind donation of 350 original paintings and 170 hand-painted greeting cards to the residents in our long-term care homes. Your thoughtful gifts during this unprecedented period bring warmth to our elderly and surely brighten up the spirits of our residents, their families, the caregivers and staff.

Today, Mon Sheong Foundation is home to three long-term care centres, an adult day program, three Chinese School campuses, a vibrant youth group, two community and volunteer services centres, three independent living senior apartments, private care, and charity care units. The construction of our fourth long-term care centre, in Stouffville, is progressing well. This new home is expected to be operational in summer 2021.

We take pride in our quality service. Our three Long-Term Care Centres and Richmond Hill Adult Day Program have each received the highest Three-Year Accreditation from the Commission on Accreditation of Rehabilitation Facilities (CARF), an independent international accreditor of health and human services. We are proud to demonstrate our commitment to continued excellence and we will stop at nothing to provide the best possible care to our seniors and residents.

We deeply appreciate your compassion to our Home residents during the pandemic and your untiring effort to carry out this Ray of Hope Painting project. Thank you once again for your donation.

Yours Sincerely,

Stephanie Wong
